ANTI-TARTTE FACTION  
WINS COMPLETE VICTORY

Colored Pastor and His Followers  
Are Ousted From All Con-  
nection With Church.

JUDGE WEST ISSUES ORDER  
It Is Carried Out Quickly by City  
Sergeant, and To-Day the Victors  
Will Worship in Peace and Har-  
mony.

(Special to The Times-Dispatch.)  
PETERSBURG, VA., December 5.—  
In accordance with his decision yester-  
day, Judge J. F. West, presiding in the  
Hustings Court of this city, in the Har-  
rison Street (colored) Baptist Church  
case, this morning entered a decree  
directing the city sergeant forthwith  
to proceed to oust Eli Tartte, former  
pastor and officers of the church, and  
any person holding under them for the  
church building and parsonage, and to  
deliver possession of the same and of  
other church property, records, books,  
papers, forms, etc., to the trustees  
and officers of the anti-Tartte fac-  
tion, as established by the decree of  
January 31, 1914, and the defendants  
and each of them their agents and at-  
torneys, are enjoined from interfering  
in any way with the possession and  
control of the property. The city ser-  
geant was directed to report to the  
court at 2 o'clock how he had executed  
the decree.

It was further ordered that Eli  
Tartte and his trustees and officers  
appear at the bar of the court at 2  
o'clock and show cause, if any they  
can show, why they should not be  
fined and imprisoned for their refusal  
and failure to deliver the property as  
directed by the decree of January 31,  
to the trustees and officers established  
by that decree.

When the court met this afternoon  
Sergeant Evans reported that he had  
fully executed the decree, and he  
turned over to the court the keys of  
the parsonage, the church and the  
study. Tartte had moved out of the  
parsonage before the afternoon meet-  
ing of the court. The books, records,  
etc., were surrendered to the court,  
and by the keys and records were put  
in the possession of the anti-Tartte  
officials.

In the matter of the contempt order,  
Eli Tartte and his associate church  
officers were purged of contempt by  
R. E. Davis, for their counsel, who  
related to the court that they had acted  
on his advice, and that neither they  
nor he had any intention of disobeying  
the order of the court. After some  
timely advice to both factions, the  
court dismissed the contempt rule and  
admonished.

The anti-Tartte faction of the con-  
gregation will worship in the church  
to-morrow for the first time since  
1908, and it will be a joyous occasion  
with them. It is expected, now that  
the litigation has been ended, that  
eventually the two factions of the  
congregation will come together and wor-  
ship in peace and harmony.

**Very Sudden Death.**  
Mrs. Lucy Ann Farnell, aged fifty-  
eight years, died very suddenly last  
night, about 11 o'clock, at the home of  
her daughter, Mrs. W. H. Lucas, on  
Ellick Street. She had started to her  
room to retire when she was  
stricken and died before medical aid  
could be summoned. She is sur-  
vived by the one daughter, with whom  
she lived. Mrs. Lucas came to Peters-  
burg from Emporia several months  
ago. After the funeral services this  
afternoon, the body was taken to Em-  
poria for burial.

**Anniversary Services.**  
The Market Street Methodist Episcopal  
Sunday school will hold its anni-  
versary services, and will install its  
officers and teachers. The program for  
the occasion embraces reports from the  
superintendent and other officers. Special  
music, the awarding of diplomas  
and certificates and an address by the  
pastor.

The annual banquet of the men's Bi-  
ble class of this school was enjoyed  
last night, with a number of guests  
present and fine music and brief ad-  
dresses to add to the interest of all  
present.

**Prince George Notes.**  
The Belgian relief campaign in Prince  
George City is proving a success, in-  
deed, both as to contributions of money,  
clothing and foodstuffs. The people  
have been very liberal in their con-  
tributions. A very interesting entertain-  
ment has been planned for Tuesday  
night next at the high school at the  
courthouse, which is expected to real-  
ize a handsome sum, and which will  
mark the close of the Belgian relief  
campaign. Addresses will be delivered  
by Judge West and R. Bolling Wilcox,  
of this city.

The dance given by Mrs. Thomas  
Temple, of Disputanta at Liberty Hall  
in this city on Wednesday night, for  
the benefit of Prince George Chapter  
Daughters of the Confederacy, was a  
brilliant and successful event. The  
sum of \$75 net was realized and turned  
over to the Daughters.

**Marriage in Ettrick.**  
Miss Eva Gertrude King, daughter  
of E. A. King, of Ettrick, and Hugh H.  
Davis, of Waynesboro, Va., were mar-  
ried this morning at the parsonage of  
Ettrick Methodist Episcopal Church by  
the Rev. C. C. Jones. They left im-  
mediately afterwards for their home in  
Waynesboro.

**Probably Fatal Accident.**  
Wilson Bell, an employee of the Vir-  
ginia Grain and Feed Company, on Old  
Street, was badly injured this after-  
noon. He had just unloaded a car for  
the company on the track in rear of  
the store, when he was caught by a  
backing car and crushed. He was hur-  
ried to the hospital. His injuries are  
mainly internal, and it is believed he  
cannot live through the night.

**General News Notes.**  
The Chamber of Commerce has ad-  
dressed letters to the people of Peters-  
burg, urging, as a matter of business  
as well as of pride, to spend their  
money with their home merchants in-  
stead of elsewhere.

Petersburg Lodge of Elks will hon-  
or the memory of departed brethren by  
appropriate services in the Academy of  
music to-morrow afternoon. Samuel J.  
Kelley, of Richmond, will be the  
orator.

## RELEASED WITHOUT BOND

Indicted Officers of Indiana Legisla-  
ture Appear in Court.

INDIANAPOLIS, December 5.—After  
Lieutenant-Governor W. P. O'Neill  
and six others of the thirteen officers  
and employees of the 1913 legisla-  
ture, who were indicted here last night,  
who appeared in person in court to-  
day to be served with capias, Judge  
Joseph T. Markey, of the Criminal  
Court, announced that the other de-  
fendants could make their appearance  
through attorneys. All those in court  
to-day were released on their own  
recognizance, without bond.

## CONVENTION MEETS THIS WEEK

Statistical Secretary Makes Report,  
Showing Remarkable Work That  
Has Been Accomplished—Now  
2,095 Churches, 256,599 Members.

(Special to The Times-Dispatch.)  
RALEIGH, N. C., December 4.—R. L.  
Middleton, statistical secretary of the  
North Carolina Baptist State Conven-  
tion, which will meet in annual ses-  
sion here on Tuesday, has made pub-  
lic an interesting summary of the work  
of the denomination for the past year.  
It shows sixty-four associations, com-  
prising 2,095 churches and 256,599 mem-  
bers, gains of thirty-nine in the num-  
ber of churches and of 11,000 in the  
number of members or communicants.  
These gains are unprecedented in all  
the history of the State convention.  
There were 14,716 baptisms during  
the year, a gain of 1,462 over any pre-  
vious year. Numbers of the churches did  
not report as to baptisms, and it is  
estimated that there were really as  
many as 20,000 baptisms in the State.  
In the matter of finances, the de-  
nomination raised \$49,494 for State  
missions, \$32,833 for home missions,  
\$51,305 for foreign missions, \$3,183 for  
Sunday school missions, \$47,537 for the  
orphanage, \$5,534 for ministerial edu-  
cation and \$5,036 for ministerial relief.  
These give a total of \$195,637 for all  
purposes, a gain of \$5,882 over any  
previous year. It is explained that this  
financial statement is from association  
reports that closed at different times  
during the past six months and will  
not tally with the report of Treasurer  
Durham of the convention, whose re-  
port closes with all churches at the  
close of the convention fiscal year.  
Of the 2,095 churches in the conven-  
tion, 1,744 made contributions of some  
amount for general church purposes  
other than local support, the  
45 to the Sunday school work, the

HEALTHY HAIR,  
SOFT, FLUFFY  
AND LUSTROUS

Many women envy the pretty hair of  
their friends without even inquiring the  
reason why their own is not as attrac-  
tive. "Rats," pads and switches are  
far less assistances towards a fine head  
of hair than daily care and attention.  
The natural secretions of the scalp  
often clog the pores and root glands  
until they cannot possibly carry out  
their functions. Ordinary combing and  
brushing does not get down to the real  
roots of the hair, and something more  
is needed to properly keep the hair and  
scalp in health and vigor.

Parian Sage has been recognized  
for many years as one of the most  
valuable hair tonics and is daily mak-  
ing new friends, because of its un-  
doubted efficiency, the ease with which  
it may be applied and its cheapness.  
Faded, dull or lifeless hair is quickly  
restored to its natural beauty; dandruff  
disappears like magic, while oiliness  
and stickiness vanish after a few ap-  
plications, leaving the hair perma-  
nently strong, glossy, soft and beau-  
tiful.

Do not wait until your hair is in  
really bad condition before doing any-  
thing to keep it. Tragic Dandruff, or  
any drug counter can supply you with  
Parian Sage. It is such a helpful  
toilet necessity that you cannot afford  
to do without it.

summary shows 2,052 schools, a gain of  
119 for the year. The membership is  
101,394, a gain of 10,443. It is stated  
that in the Southern Baptist conven-  
tion there are 5,000 fewer Sunday  
schools than churches, while in the  
North Carolina convention there are  
only forty-one fewer Sunday schools  
than churches. The Sunday schools  
contributed \$40,000 to the general con-  
vention purposes.

There are 1,072 Women's Missionary  
Unions reported in the State, which  
contributed \$40,255 for various con-  
vention purposes. There are about 900  
pastors in the State and 200 other or-  
dained ministers, and Secretary Mid-  
dleton finds that there have been be-  
tween 300 and 500 changes in the loca-  
tion and addresses among them, some  
of them changing as many as three  
times during the year. Mr. Middleton  
ventures the assertion that the Baptist  
ministers average more changes than  
the Methodists under conference rota-  
tion.
